

Articulations main gauche (araignée)

Henne Vincent

A guitar fretboard diagram illustrating a classic spider articulation (araignée classique) from top to bottom. The strings are labeled T (top), A, and B (bottom). The diagram shows a sequence of four notes on each string, numbered 1 through 4 from bottom to top. The sequence is: 1-2-3-4 on string T, 1-2-3-4 on string A, 1-2-3-4 on string B, 1-2-3-4 on string T, 1-2-3-4 on string A, 1-2-3-4 on string B, and finally 1-2-3-4 on string T.

Araignée classique de haut en bas

A guitar fretboard diagram illustrating a crossed spider articulation (araignée croisée) from top to bottom. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 4 through 1 from bottom to top. The sequence is: 4-3-2-1 on string T, 4-3-2-1 on string A, 4-3-2-1 on string B, 4-3-2-1 on string T, 4-3-2-1 on string A, 4-3-2-1 on string B, and finally 4-3-2-1 on string T.

et de bas en haut

A guitar fretboard diagram illustrating a mirrored spider articulation (araignée en miroir) from top to bottom. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 1 through 4 from bottom to top. The sequence is: 1-3-2-4 on string T, 1-3-2-4 on string A, 1-3-2-4 on string B, 1-3-2-4 on string T, 1-3-2-4 on string A, 1-3-2-4 on string B, and finally 1-3-2-4 on string T.

Araignée croisée de haut de bas

A guitar fretboard diagram illustrating a mirrored spider articulation (araignée en miroir) from bottom to top. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 4 through 1 from bottom to top. The sequence is: 4-2-3-1 on string T, 4-2-3-1 on string A, 4-2-3-1 on string B, 4-2-3-1 on string T, 4-2-3-1 on string A, 4-2-3-1 on string B, and finally 4-2-3-1 on string T.

et de bas en haut

A guitar fretboard diagram illustrating a delayed spider articulation (araignée décalée) from top to bottom. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 1 through 4 from bottom to top. The sequence is: 1-4-2-3 on string T, 1-4-2-3 on string A, 1-4-2-3 on string B, 1-4-2-3 on string T, 1-4-2-3 on string A, 1-4-2-3 on string B, and finally 1-4-2-3 on string T.

Araignée en miroir de haut en bas

A guitar fretboard diagram illustrating a delayed spider articulation (araignée décalée) from bottom to top. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 3 through 1 from bottom to top. The sequence is: 3-2-4-1 on string T, 3-2-4-1 on string A, 3-2-4-1 on string B, 3-2-4-1 on string T, 3-2-4-1 on string A, 3-2-4-1 on string B, and finally 3-2-4-1 on string T.

et de bas en haut

A guitar fretboard diagram illustrating a delayed spider articulation (araignée décalée) from top to bottom. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 2 through 1 from bottom to top. The sequence is: 2-4-1-3 on string T, 2-4-1-3 on string A, 2-4-1-3 on string B, 2-4-1-3 on string T, 2-4-1-3 on string A, 2-4-1-3 on string B, and finally 2-4-1-3 on string T.

Araignée décalée de haut en bas

A guitar fretboard diagram illustrating a delayed spider articulation (araignée décalée) from bottom to top. The strings are labeled T, A, and B. The diagram shows a sequence of four notes on each string, numbered 3 through 1 from bottom to top. The sequence is: 3-1-4-2 on string T, 3-1-4-2 on string A, 3-1-4-2 on string B, 3-1-4-2 on string T, 3-1-4-2 on string A, 3-1-4-2 on string B, and finally 3-1-4-2 on string T.
